

PARENT/GUARDIAN AGREEMENT

AT ALL TIMES, children up to and including the age of 15 must be accompanied by a parent or guardian, who is in the immediate vicinity and within line of sight of the minor. If minors are found unsupervised the entire family may be asked to pack up and leave the Event immediately, without a ticket refund. This decision is within the sole discretion of the Event.

The waiver on your ticket applies to ALL members of your family. Read it! Don't assume your kids are safe in anyone else's camp - even your own or a friend's if you're not there - or on an Art Car, Mutant Vehicle or art structure. It's up to you to be aware of what is happening around you at all times and to determine what is safe for you and your kids. At YOUtopia ALL children ages 15 and under must be supervised and protected at all times by you. You may not ever turn your children loose without supervision at YOUtopia. Although kids ages 16 and 17 may be able to experience the Event without parental or guardian supervision, the parent or guardian is responsible for all actions of ALL of their children at all times, regardless of age.

If your minor (aged 15 or younger) is found unattended you specifically agree that YOUtopia staff may do any of the following:

Move your child to a safe location (Safety HQ or Ops) either on foot or via shuttle or other Event vehicle. NOTE – YOUtopia does not provide child seats.

- Take your child to Medical for assessment and/or treatment of any potential injuries.*
- Hire Event security to protect your minor while we are searching for you. In such event, you specifically acknowledge and agree that all expenses associated therewith will be payable by you prior to leaving the Event.*

I ACKNOWLEDGE AND AGREE TO THE TERMS CONTAINED IN THIS PARENTAL/GUARDIAN AGREEMENT
